*Fiery trials make golden
Christians. – Charles Spurgeon*

A word to those who are persecuted:
God sees and God knows.

A word to those who are passive:
Be willing to sacrifice for the sake of the
oppressed.

A word to those who are persecutors:
You may prosper for a short time in this life but the arrow
of God's judgment will strike and The Righteous Judge will
have the last word.

We all deserve the arrow of God's judgment but the Good News is someone substituted Himself in our place.

*Bearing shame and scoffing rude,
In my place condemned He stood;
Sealed my pardon with His blood.*
